[1] Interest accrues daily at the funds rate as described in your SoFi Bank Deposit Account Agreement (the "Customer Agreement") and is paid on the last day of the Statement Period. The Annual Percentage Yield Earned, as shown on your statement, may reflect account adjustments from previous statement periods.

[2] Interest accrues at the same rate on all funds in your SoFi savings accounts, including funds allocated to SoFi Vaults. References to "interest" in connection with any SoFi Vault reflect the portion of the interest earned on your SoFi savings account in the preceding month which is allocated to the applicable SoFi Vault. The amount of interest allocated to each SoFi Vault is equal to the proportion of the balance in each SoFi Vault bears to your total SoFi savings account balance.

SoFi Insured Deposit Program
For participants in the SoFi Insured Deposit Program (the "Program"), SoFi Bank may place your cash balances, including amounts below the Standard Maximum Deposit Insurance Amount (the "SMDIA," currently $250,000 for individual accounts and $500,000 for joint accounts), into deposit accounts at multiple FDIC-insured participating banks, as set forth in the Program Terms and Conditions, which can be found at https://www.sofi.com/banking/fdic/sidpterms. The maximum FDIC insurance coverage available through the Program is $3.0 million per depositor per legal category of account ownership (including balances retained at SoFi Bank).

If you have designated Payable on Death ("POD") beneficiaries to your Checking and Savings accounts, your FDIC insurance coverage may be increased. For individual accounts, deposits will be insured up to $250,000 per unique primary beneficiary, up to a maximum of $1,250,000 if five or more beneficiaries are named. For joint accounts, deposits will be insured up to $500,000 per unique primary beneficiary, up to a maximum of $1,250,000 per account owner, subject to FDIC rules. If you have designated only secondary beneficiaries (i.e., no primary beneficiaries), SoFi Bank will treat these secondary beneficiaries as primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances placed into the Program.

On Feb 27, 2026, we moved balances over $250000 into the participating banks. Below is the breakdown of how those funds were distributed based on data from the previous business day:

Important Information

SoFi Insured Deposit Program
For participants in the SoFi Insured Deposit Program (the "Program"), SoFi Bank may place your cash balances, including amounts below the Standard Maximum Deposit Insurance Amount (the "SMDIA," currently $250,000 for individual accounts and $500,000 for joint accounts), into deposit accounts at multiple FDIC-insured participating banks, as set forth in the Program Terms and Conditions, which can be found at https://www.sofi.com/banking/fdic/sidpterms. The maximum FDIC insurance coverage available through the Program is $3.0 million per depositor per legal category of account ownership (including balances retained at SoFi Bank).

If you have designated Payable on Death ("POD") beneficiaries to your Checking and Savings accounts, your FDIC insurance coverage may be increased. For individual accounts, deposits will be insured up to $250,000 per unique primary beneficiary, up to a maximum of $1,250,000 if five or more beneficiaries are named. For joint accounts, deposits will be insured up to $500,000 per unique primary beneficiary, up to a maximum of $1,250,000 per account owner, subject to FDIC rules. If you have designated only secondary beneficiaries (i.e., no primary beneficiaries), SoFi Bank will treat these secondary beneficiaries as primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances placed into the Program.
